CWP No. 647 of 2001.

11.10.2007 Present: None for the petitioner.

Mr. Ravinder Thakur, Central Government Counsel for the respondents.

The Court had directed the Registry on 17.8.2007 to issue notice to the petitioner to make alternative arrangement by engaging a counsel. The petitioner has been served through his son who is working in the Police Department as per report of the Process-Server, dated 10th September, 2007. Despite the service effected on the petitioner through his son he is neither present nor engaged any counsel. Accordingly, the writ petition is dismissed for default.
